

You've dreamt about taking your C2 exam, but things keep getting in the way. There's no time for classes in your busy schedule. You can't find a course for people like you. You feel like you're not good enough to do it. **6-month C2 is the course for you**, with weekly online classes, structured self-study modules, and a vibrant and supportive online community.

What does the course include?

- 1 A 2-hour class every week**
Dynamic and communicative live sessions help you learn real English to use in your Exam - and real life!
- 2 16 Grammar Guru sessions**
The antidote to boring grammar classes, where we explore English grammar in a fun and motivating way.
- 3 24 Self-study modules**
You'll know exactly what you need to be studying each week, in addition to extra tasks if you have the time. Be prepared to study 1 to 2 hours every week.
- 4 The Course Community**
A vibrant and supportive course community gives you a space for interactive tasks, sharing resources, asking questions, and getting support from your tutor.
- 5 Weekly assessments and feedback**
Track your progress towards C2 with regular opportunities for writing assessments, mock exams, and speaking exam practice, all with full and helpful feedback.
- 6 Course material & resource bank**
Your course fees include all material (in book or digital form), as well as lifetime access to the extensive resource bank of exam practice and study materials.
